

CENTRAL OFFICE FUND DRIVE

January 1st to April 16th 2010

OUR CENTRAL OFFICE IS THE HEARTBEAT OF YOUR A.A. COMMUNITY

It is in fact the *Central Office* of our local AA service structure and the face of AA in Sarasota and Manatee County.

It was established in 1986 to carry the AA message to the suffering alcoholic as well as provide information about AA to the community, supply AA literature and support to people wanting to be, or already in recovery. It provides an informational web site, a place for Help line volunteers to answer the phone, and space for Intergroup, General Services and their respective committees to meet and conduct business and more.

“PLEASE HELP SUPPORT CENTRAL OFFICE”

*Individual Contributions Are Gratefully Appreciated
Envelopes Are Available At AA Meetings and Central Office*
